* Once-off payment, subsequent GP pregnancy ultrasounds FREE. Please note that ultrasound performed by our GPs is for purposes of confirming pregnancy and weeks or gestation and does not determine sex or rule out foetal abnormalities. To rule out foetal abnormalities, sex determination and 3D/4D pregnancy ultrasound, please see under SPECIALIST ULTRASOUND.

We do not do deliveries / birthing as yet. We will however provide you with an Antenatal Visit Card and refer you to a private gynaecologist, birthing facility, public clinic or hospital of your choice.

** Estimate only. Total cost depends on tests required.

SPECIALISTS & HOSPITAL REFERRALS	
It is recommended that patients first be seen by a General Practitioner, as most medical conditions can be managed at the level of a GP. If a second opinion is required the doctor will refer you to a specialist or hospital. Specialists charge between R1000 and R1500 for a consultation excluding medication.
